As you join us today in worshipping our Lord Jesus Christ, we hope that you feel completely and totally at home. Please come in, have a seat, and make yourself comfortable. You are our Guest and if there is anything that we can do for you, please don't hesitate to ask.

As our guest today, we want you to feel comfortable with what to expect. Our services are a blend of worship hymns and praise songs, utilizing organ, piano, guitar, drums, violin, and other instruments. As we worship, feel free to stand or sit, raise your hands, bow your head, or clap your hands. All are welcome. When the offering plate comes around, please do not feel pressured to contribute. You are our guest.

We do provide a nursery for babies and young children through age 3 and a Junior Church program for children age 4 to Grade 1 if you wish to make use of these. The nursery is open for the entire service; the Junior Church children will be dismissed before the message.

We pride ourselves on being a family, a family of people of all ages. As you can see, we have many activities for people of all ages. We welcome you into our home as our guest this week, and hope that you return again next week as part of the fellowship.
